REPORT ON CO-OPERATIVE PROGRAM

We your Committee on Co-operative Program, submit the following:

The Co-operative Program has proven itself to be the best plan for the promoting of all the objects fostered by the Southern Baptist Convention. Missions, Christian Education, Hospitals, Orphanages and Ministerial Relief share its benefits alike according to allocations. In this plan no worthy object is left out for the sake of another. It is no doubt the safest and sanest plan ever fostered by the Southern Baptist Convention. It does not exclude any one from making special offerings, or of designating gifts, but if this plan was carefully followed, there would be little, or no need, for special offerings.

We recommend the Every Member Canvass as the best plan in the support of all the Church and Denominational program. To this end, we recommend, that an Associational Representative of the Every Member Canvass be appointed, or elected, by the Association,

Respectfully submitted,

T. P. STANFIELD.

The General Board contributes to the following preachers the following amounts each year: Rev. G. C. Morse, \$200.00 Rev. W. L. Adams, \$200.00; Rev. George Hopkins, \$125.00.
